hello@viswanth.com

Over the last 5 years, I've had the opportunity to work with design studios, founders, and creative teams across India, collaborating closely to build brand identities that are not just visually strong, but strategically grounded and emotionally resonant.

Experience

Senior Graphic Designer Studio 318 India

January 2025 - December 2025. Hyderabad

Collaborating with diverse clients to craft thoughtful brand identity solutions that align strategy with strong visual storytelling.

Provide creative direction and feedback to junior designers, ensuring quality, consistency, and growth within the design team.

Mid-Level Graphic & Motion Designer Parentheses Studio

April 2021 - December 2025. Bengaluru

Collaborated with diverse clients to develop and refine their brand identities, creating compelling and effective visual representations.

Elevated brands' communication strategies through dynamic motion design solutions, transforming static visuals into engaging and captivating animated content.

Produced meticulously crafted design templates and presentations in collaboration with the studio's team streamlining the creative process and maintaining high-quality design standards.

Collaborated closely with the UI/UX team, integrating motion design expertise to enhance user interfaces, resulting in visually appealing and user-friendly products.
